

British Accreditation Registry

There was reference to the BAR being the British Accreditation Registry until now. Although the BAR tried to re-write history by disguising itself as the “Bar” and the “bench”; And so it was in Ireland the incriminating link was found (of course the BAR will attempt to rubbish the reality). The BAR association was administered and still controlled in Ireland by the semi-secret society of the “Honourable Society of Kings Inn”

by appointment to King Henry VIII. Set up in 1541 to oversee the theft from and enslavement of the Irish, it continues to this day worldwide.

The crown itself is irrelevant, many crowns are used and all are symbolic. The agenda is the real issue. the BAR did and still does dictate what judgments are made in courts regardless of what laws exist. They are set up so that YOU CANNOT WIN if you play by their rules. They allow some small cases win to allow a facade of fairness but they as policy give the banks, their financial wing, permission to steal people’s property (repossess) if they do not have the paper notes the banks demand. Of course the banks control the flow of the paper notes so they create the conditions for the theft as and when they wish. Under fractional banking the banks give nothing as value in the contract so in reality all bank loans, mortgages etc never need to be paid back because

the signature from the “buyer” is what creates the value. see youtube: “*Banking the greatest scam on Earth*”.

Where honourable men in the BAR do act alone and justly in rulings the decision is simply overturned by the BAR to suit its bank partners such as the case of Jerome Daly, the unfortunate Judge who upheld justice in his case was not only stripped of his authority but his life. The case which still stands as the real face of justice was overturned by the BAR on appeal. BAR ASSOCIATION HISTORY & WHO OWNS THE U.S.

[SOURCE: NOVEMBER 24, 2014; <http://theftbydeception.blogspot.com.au/2010/02/bar-association-history-who-owns-us.html>]

The governmental and judicial systems within the United States of America, at both federal and local state levels, is owned by the “Crown,” which is a private foreign power and not to be confused with the Queen of England or the Royal Families of Britain, this is a different “Crown” and is fully exposed and explained below. We are specifically referencing the established Templar Church, known for centuries by the world as the “Crown.” From this point on, we will also refer to the Crown as the Crown Temple or Crown Templar, all three being synonymous.

Between Fleet Street and Victoria Embankment at the Thames River is the Crown Temple. Its grounds also house the Crown Offices at Crown Office Row. This Temple “Church” is outside any Canonical jurisdiction. The Master of the Temple is appointed and takes his place by sealed (non-public) patent, without induction or institution. All licensed Bar Attorneys -Attorners (see definitions below) - in the U.S. owe their allegiance and give their solemn oath in pledge to the Crown Temple , realizing this or not. This is simply due to the fact that all Bar Associations throughout

the world are signatories and franchises to the International Bar Association located at the Inns of Court at Crown Temple, which are physically located at Chancery Lane behind Fleet Street in London.

Although they vehemently deny it, all Bar Associations in the U.S. , such as the American Bar Association, the Florida Bar, or California Bar Association, are franchises to the Crown. The Inns of Court (see below, The Four Inns of Court) to the Crown Temple use the Banking and Judicial system of the City of London – a sovereign and independent territory which is not a part of Great Britain (just as Washington City, as DC was called in the 1800's, is not a part of the north American states, nor is it a state) to defraud, coerce, and manipulate the American people. These Fleet Street bankers and lawyers are committing crimes in America under the guise and color of law (see definitions for legal and lawful below).

They are known collectively as the “Crown.” Their lawyers are actually Templar Bar Attornies, not lawyers. The present Queen of England is not the “Crown,” as we have all been led to believe. Rather, it is the Bankers and Attornies (Attorneys) who are the actual Crown or Crown Temple. The Monarch aristocrats of England have not been ruling sovereigns since the reign of King John, circa 1215. All royal sovereignty of the old British Crown since that time has passed to the Crown Temple in Chancery.

The U.S.A. is not the free and sovereign nation that our federal government tells us it is. If this were true, we would not be dictated to by the Crown Temple through its bankers and attorneys. The U.S.A. is controlled and manipulated by this private foreign power and our unlawful Federal U.S. Government is their pawn broker. The bankers and Bar Attorneys in the U.S.A. are a franchise in oath and allegiance to the Crown at Chancery – the Crown Temple Church and its Chancel located at Chancery Lane – a manipulative body of elite bankers and attorners from the independent City of London who violate the law in America by imposing fraudulent “legal” – but totally unlawful -contracts on the American people.

The banks Rule the Temple Church and the Attorners carry out their Orders by controlling their victim’s judiciary. Since the first Chancel of the Temple Church was built by the Knights Templar, this is not a new ruling system by any means. The Chancel, or Chancery, of the Crown Inner Temple Court was where King John was, in January 1215, when the English barons demanded that he confirm the rights enshrined in the Magna Carta. This City of London Temple was the headquarters of the Templar Knights in Great Britain where Order and Rule were first made, which became known as Code.

Remember all these terms, such as Crown, Temple, Templar, Knight, Chancel, Chancery, Court, Code, Order and Rule as we tie together their origins with the present American Temple Bar system of thievery by equity (chancery) contracts. “Woe unto you, scribes and Pharisees, hypocrites! for ye are like unto whited sepulchres, which indeed appear beautiful outward, but are within full of dead men’s bones, and of all uncleanness.” - Matthew 23:27

By what authority has the “Crown” usurped the natural sovereignty of the American people? Is it acceptable that the U.S. Supreme Court decides constitutional issues in the U.S.A? How can it be considered in any manner as being “constitutional” when this same Supreme Court is appointed by (not elected) and paid by the Federal U.S. Government? Is it any wonder the states and her people have no justice as they dwell upon the land? As you will soon see, the land called North America belongs to the Crown Temple. The legal system (judiciary) of the U.S.A. is controlled by the Crown Temple from the independent and sovereign City of London.

The private Federal Reserve System, which issues fiat U.S. Federal Reserve Notes, is financially owned and controlled by the Crown from Switzerland, the home and legal origin for the charters of the United Nations, the International Monetary Fund, the World Trade Organization, and most importantly, the Bank of International Settlements. Even Hitler respected his Crown bankers by not bombing Switzerland. The Bank of International Settlements in Basel, Switzerland controls all the central banks of the G7 nations. He who controls the gold rules the world.

LEGAL. Latin legalis. Pertaining to the understanding, the exposition, the administration, the science and the practice of law: as, the legal profession, legal advice; legal blanks, newspaper. "Legal" imports rather that the forms of law are observed, that the proceeding is correct in method, that rules prescribed have been obeyed; "Lawful" that the right is actful in substance, that moral quality is secured. "Legal" is the antithesis of "equitable", and the equivalent of "constructive". [2 Abbott's Law Dict. 24; A Dictionary of Law (1893)]

[1913 Webster's Revised Unabridged Dictionary]

The Four Inns of Court to the unholy Temple Globally, all the legalistic scams promoted by the exclusive monopoly of the Temple Bar and their Bar Association franchises come from four Inns or Temples of Court: the Inner Temple, the Middle Temple, Lincoln's Inn and Gray's Inn. These Inns/Temples are exclusive and private country clubs; secret societies of world power in commerce. They are well established, some having been founded in the early 1200's. The Queen and Queen Mother of England are current members of both the Inner Temple and Middle Temple. Gray's Inn specializes in Taxation legalities by Rule and Code for the Crown. Lincoln's Inn received its name from the Third Earl of Lincoln (circa 1300).

Just like all U.S. based franchise Bar Associations, none of the Four Inns of the Temple are incorporated – for a definite and purposeful reason: You can't make claim against a non-entity and a non-being. They are private societies without charters or statutes, and their so-called constitutions are based solely on custom and self-regulation. In other words, they exist as secret societies without a public "front door" unless you're a private member called to their Bar. While the Inner Temple holds the legal system franchise by license to steal from Canada and Great Britain, it is the Middle Temple that has legal license to steal from America. This comes about directly via their Bar Association franchises to the Honourable Society of the Middle Temple through the Crown Temple.

From THE HISTORY OF THE INN, Later Centuries, [p.6], written by the Honourable Society of the Middle Temple, we can see a direct tie to the Bar Association franchises and its Crown signatories in America: *"Call to the Bar or keeping terms in one of the four Inns a pre-requisite to Call at King's Inns until late in the 19th century. In the 17th and 18th centuries, students came from the American colonies and from many of the West Indian islands. The Inn's records would lead one to suppose that for a time there was hardly a young gentleman in Charleston who had not studied here. Five of the signatories to the Declaration of Independence were Middle Templars, and notwithstanding it and its consequences, Americans continued to come here until the War of 1812".*

All Bar Association licensed Attorneys must keep the terms of their oath to the Crown Temple in order to be accepted or "called to Bar" at any of the King's Inns. Their oath, pledge, and terms of allegiance are made to the Crown Temple. It's a real eye opener to know that the Middle Inn of the Crown Temple has publicly acknowledged there were at least five Templar Bar Attornies, under solemn oath only to the Crown, who signed what was alleged to be an American Declaration of Independence. This simply means that both parties to the Declaration agreement were of the same origin, the Crown Temple.

In case you don't understand the importance of this, there is no international agreement or treaty that will ever be honored, or will ever have lawful effect, when the same party signs as both the first and second parties. It's merely a worthless piece of paper with no lawful authority when both sides to any agreement are actually the same. In reality, the American Declaration of Independence was nothing more than an internal memo of the Crown Temple made among its private members.

By example, Alexander Hamilton was one of those numerous Crown Templars who was called to their Bar. In 1774, he entered King's College in New York City, which was funded by members of the London King's Inns, now named Columbia University. In 1777, he became a personal aide and private secretary to George Washington during the American Revolution. In May of 1782, Hamilton began studying law in Albany, New York, and within six months had completed a three year course of studies, passed his examinations, and was admitted to the New York Bar.

Of course, the New York Bar Association was/is a franchise of the Crown Temple through the Middle Inn. After a year's service in Congress during the 1782-1783 session, he settled down to legal practice in New York City as Alexander Hamilton, Esqr. In February of 1784, he wrote the charter for, and became a founding member of, the Bank of New York, the State's first bank. He secured a place on the New York delegation to the Federal Convention of 1787 at Philadelphia. In a five hour speech on June 18th, he stated "an Executive for life will be an elective Monarch". When all his anti-Federalist New York colleagues withdrew from the Convention in protest, he alone signed the Constitution for the United States of America representing New York State, one of the legal Crown States (Colonies).

One should particularly notice that a lawful state is made up of the people, but a State is a legal entity of the Crown – a Crown Colony. This is an example of the deceptive ways the Crown Temple – Middle Templars – have taken control of America since the beginning of our settlements. This is explained in further detail below.

Later, as President Washington's U.S. Treasury Secretary, Hamilton alone laid the foundation of the first Federal U.S. Central Bank, secured credit loans through Crown banks in France and the Netherlands, and increased the power of the Federal Government over the hoodwinked nation-states of the Union. Hamilton had never made a secret of the fact that he admired the government and fiscal policies of Great Britain. Americans were fooled into believing that the legal Crown Colonies comprising New England were independent nation states, but they never were nor are today. They were and still are Colonies of the Crown Temple, through letters patent and charters, who have no legal authority to be independent from the Rule and Order of the Crown

Temple. A legal State is a Crown Temple Colony. Neither the American people nor the Queen of Britain own America.

The Crown Temple owns America through the deception of those who have sworn their allegiance by oath to the Middle Templar Bar. The Crown Bankers and their Middle Templar Attornies Rule America through unlawful contracts, unlawful taxes, and contract documents of false equity through debt deceit, all strictly enforced by their completely unlawful, but “legal”, Orders, Rules and Codes of the Crown Temple Courts, our This is because the Crown Temple holds the land titles and estate also-called “judiciary” in America deeds to all of North America. The biggest lie is what the Crown and its agents refer to as “the rule of law”. In reality, it is not about law at all, but solely about the Crown Rule of all nations.

For example, just read what President Bush stated on November 13, 2001, regarding the “rule of law:” “Our countries are embarked on a new relationship for the 21st century, founded on a commitment to the values of democracy, the free market, and the rule of law.”- Joint Statement by President George W. Bush and President Vladimir V. Putin on 11/13/01, spoken from the White House, Washington D.C. What happened in 1776? “Whoever owns the soil, owns all the way to the heavens and to the depths of the earth.” – Old Latin maxim and Roman expression.

1776 is the year that will truly live in infamy for all Americans. It is the year that the Crown Colonies became legal Crown States. The Declaration of Independence was a legal, not lawful document. It was signed on both sides by representatives of the Crown Temple. Legally, it announced the status quo of the Crown Colonies to that of the new legal name called “States” as direct possessive estates of the Crown (see the definitions above to understand the legal trickery that was done). The American people were hoodwinked into thinking they were declaring lawful independence from the Crown. Proof that the Colonies are still in Crown possession is the use of the word “State” to signify a “legal estate of possession.” Had this been a document of and by the people, both the Declaration of Independence and the U.S. Constitution would have been written using the word “states”. By the use of “State,” the significance of a government of estate possession was legally established.

All of the North American States are Crown Templar possessions through their legal document, signed by their representation of both parties to the contract, known as the Constitution of the United States of America. All “Constitutional Rights” in America are simply those dictated by the Crown Temple and enforced by the Middle Inn Templars (Bar Attorners) through their franchise and corporate government entity, the federal United States Government. When a “State Citizen” attempts to invoke his

“constitutional”, natural, or common law “rights” in Chancery (equity courts), he is told they don’t apply. Why? Simply because a State citizen has no rights outside of the Rule and Codes of Crown “law”.

Only a state citizen has natural and common law rights by the paramount authority of God’s Law. The people who comprise the citizenry of a state are recognized only within natural and common law as is already established by God’s Law. Only a State Citizen can be a party to an action within a State Court. A common state citizen cannot be recognized in that court because he doesn’t legally exist in Crown Chancery Courts.

In order to be recognized in their State Courts, the common man must be converted to that of a corporate or legal entity (a legal fiction). Now you know why they create such an entity using all capital letters within Birth Certificates issued by the State. They convert the common lawful man of God into a fictional legal entity subject to Administration by State Rules, Orders and Codes (there is no “law” within any Rule or Code). Of course, Rules, Codes, etc. do not apply to the lawful common man of the Lord of lords, so the man with inherent Godly law and rights must be converted into a legal “Person” of fictional “status” (another legal term) in order for their legal – but completely unlawful - State Judiciary (Chancery Courts) to have authority over him.

Chancery Courts are tribunal courts where the decisions of “justice” are decided by 3 “judges”. This is a direct result of the Crown Temple having invoked their Rule and Code over all judicial courts. “It is held to be a settled Rule, that our courts cannot take notice of any title to land not derived from the State or Colonial government, and duly verified by patent.” [4 Johns. Rep. 163.Jackson v. Waters, 12 Johns. Rep. 365. S.P.]

The Crown Temple was granted Letters Patent (see definition above) and Charters (definition below) for all the land (Colonies) of New England by the King of England, a sworn member of the Middle Temple (as the Queen is now). Since the people were giving the patent/charter corporations and Colonial Governors such a hard time, especially concerning Crown taxation, a scheme was devised to allow the Americans to believe they were being granted “independence.”

Remember, the Crown Templars represented both parties to the 1776 Declaration of Independence; and, as we are about to see, the latter 1787 U.S. Constitution. To have this “Declaration” recognized by international treaty law, and in order to establish the new legal Crown entity of the incorporated United States, Middle Templar King George III agreed to the Treaty of Paris on September 3, 1783, “between the Crown of Great Britain and the said United States “. The Crown of Great Britain legally was, then and

now, the Crown Temple. This formally gave international recognition to the corporate “United States”, the new Crown Temple States (Colonies).

Most important is to know who the actual signatories to the Treaty of Paris were. Take particular note to the abbreviation “Esqr.” Following their names (see above definition for ESQUIRE) as this legally signifies “Officers of the King’s Courts”, which we now know were Templar Courts or Crown Courts. This is the same Crown Templar Title given to Alexander Hamilton (see above). The Crown was represented in signature by “David Hartley, Esqr.”, a Middle Templar of the King’s Court. Representing the United States (a Crown franchise) by signature was “John Adams, Esqr.”, “Benjamin Franklin, Esqr.” and “John Jay, Esqr.”

The signatories for the “United States” were also Middle Templars of the King’s Court through Bar Association membership. What is plainly written in history proves, once again, that the Crown Temple was representing both parties to the agreement. What a perfect and elaborate scam the people of North America had pulled on them! It becomes even more obvious when you read Article 5, which states in part, “to provide for the Restitution of all Estates, Rights, and Properties which have been confiscated, belonging to real British Subjects.”

The Crown Colonies were granted to “persons” and corporations of the Crown Temple through Letters Patent and Charters, and the North American Colonial land was owned by the Crown. Since 1883, the Crown has been receiving “restitution” from the United States, their incorporated Crown franchisee, because the Crown owns the land through paramount and allodial title as a possessory estate.

Now, here’s a real catch-all in Article 4: “It is agreed that creditors on either side shall meet with no lawful impediment to the recovery of the full value in sterling money of all bona fide debts heretofore contracted.” Since the Crown and its Templars represented both the United States, as the debtors, and the Crown, as the creditors, then they became the creditor of the American people by owning all debts of the former Colonies, now called the legal Crown States. This sounds too good to be true, but these are the facts.

The words SCAM and HOODWINKED can’t begin to describe what had taken place. So then, what debts were owed to the Crown Temple and their banks as of 1883? In the Contract Between the King and the Thirteen United States of North America, signed at Versailles July 16, 1782, Article I states, “It is agreed and certified that the sums advanced by His Majesty to the Congress of the United States under the title of a loan, in the years 1778, 1779, 1780, 1781, and the present 1782, amount to the sum of

eighteen million of livres, money of France, according to the following twenty-one receipts of the above-mentioned underwritten Minister of Congress, given in virtue of his full powers, to wit.”

That amount equals about \$18 million dollars, plus interest, that Hamilton 's U.S. Central Bank owed the Crown through Crown Bank loans in France . This was signed, on behalf of the United States, by an already familiar Middle Templar, Benjamin Franklin, Esquire. An additional \$6 million dollars (six million livres) was loaned to the United States at 5% interest by the same parties in a similar Contract signed on February 25, 1783.

The Crown Bankers in the Netherlands and France were calling in their debts for payment by future generations of Americans. The Fiscal Agents of Mystery Babylon Since its beginnings, the Temple Church at the City of London has been a Knight Templar secret society. It was built and established by the same Temple Knights who were given their Rule and Order by the Roman Pope.

It's very important to know how the British Royal Crown was placed into the hands of the Knights Templars, and how the Crown Templars became the fiscal and military agents for the Pope of the Roman Church. This all becomes very clear through the *Concession of England* to the Pope on May 15, 1213. This charter was sworn in fealty by England's King John to Pope Innocent and the Roman Church. It was witnessed before the Crown Templars, as King John stated upon sealing the same, "I myself bearing witness in the house of the Knights Templars."

Pay particular attention to the words being used that we have defined below, especially charter, fealty, demur, and concession:

"We wish it to be known to all of you, through this our charter, furnished with our seal, not induced by force or compelled by fear, but of our own good and spontaneous will and by the common counsel of our barons, do offer and freely concede to God and His holy apostles Peter and Paul and to our mother the holy Roman church, and to our lord pope Innocent and to his Catholic successors, the whole kingdom of England and the whole kingdom of Ireland , with all their rights and appurtenances. We perform and swear fealty for them to him our aforesaid lord pope Innocent, and his catholic successors and the Roman church, binding our successors and our heirs by our wife forever, in similar manner to perform fealty and show homage to him who shall be chief pontiff at that time, and to the Roman church without demur. As a sign, we will and establish perpetual obligation and concession from the proper and especial revenues of our aforesaid kingdoms.

The Roman church shall receive yearly a thousand marks sterling, saving to us and to our heirs our rights, liberties and regalia; all of which things, as they have been described above, we wish to have perpetually valid and firm; and we bind ourselves and our successors not to act counter to them. And if we or any one of our successors shall presume to attempt this, whoever he be, unless being duly warned he come to his kingdom, and his senses, he shall lose his right to the kingdom, and this charter of our obligation and concession shall always remain firm.”

Most who have commented on this charter only emphasize the payments due the Pope and the Roman Church. What should be emphasized is the fact that King John broke the terms of this charter by signing the Magna Carta on June 15, 1215. Remember; the penalty for breaking the 1213 agreement was the loss of the Crown (right to the kingdom) to the Pope and his Roman Church. It says so quite plainly. To formally and lawfully take the Crown from the royal monarchs of England by an act of declaration, on August 24, 1215, Pope Innocent III annulled the Magna Carta; later in the year, he placed an Interdict (prohibition) on the entire British empire.

From that time until today, the English monarchy and the entire British Crown belonged to the Pope. The following definitions are all taken from Webster's 1828 Dictionary since the meanings have not been perverted for nearly 200 years:

FEALTY, n. [L. fidelis.] Fidelity to a lord; faithful adherence of a tenant or vassal to the superior of whom he holds his lands; loyalty. Under the feudal system of tenures, every vassal or tenant was bound to be true and faithful to his lord, and to defend him against his enemies. This obligation was called his fidelity or fealty, and an oath of fealty was required to be taken by all tenants to their landlords. The tenant was called a liege man; the land, a liege fee; and the superior, liege lord.

FEE, n. [In English, is loan]. This word, fee, inland, or an estate in trust, originated among the descendants of the northern conquerors of Italy, but it originated in the south of Europe . See Feud.] Primarily, a loan of land, an estate in trust, granted by a prince or lord, to be held by the grantee on condition of personal service, or other condition; and if the grantee or tenant failed to perform the conditions, the land reverted to the lord or donor, called the landlord, or lend-lord, the lord of the loan. A fee then is any land or tenement held of a superior on certain conditions. It is synonymous with fief and feud. In the United States, an estate in fee or fee simple is what is called in English law an allodial estate, an estate held by a person in his own right, and descendible to the heirs in general.

FEUD, n. [L. fides; Eng. loan.] A fief; a fee; a right to lands or hereditaments held in trust, or on the terms of performing certain conditions; the right which a vassal or tenant has to the lands or other immovable thing of his lord, to use the same and take the profits thereof hereditarily, rendering to his superior such duties and services as belong to military tenure, &c., the property of the soil always remaining in the lord or superior.

By swearing to the 1213 Charter in fealty, King John declared that the British- English Crown and its possessions at that time, including all future possessions, estates, trusts, charters, letters patent, and land, were forever bound to the Pope and the Roman Church, the landlord. Some five hundred years later, the New England Colonies in America became a part of the Crown as a possession and trust named the “United States.”

ATTORNING, ppr. Acknowledging a new lord, or transferring homage and fealty to the purchaser of an estate. Bar Attorneys have been attorning ever since they were founded at the Temple Church , by acknowledging that the Crown and he who holds the Crown is the new lord of the land. Because King John defaulted on the 1213 contract, the new Crown (the Crown Temple) had a new lord: The Pope and his Roman Church.

CHARTER, n. 1. A written instrument, executed with usual forms, given as evidence of a grant, contract, or whatever is done between man and man. In its more usual sense, it is the instrument of a grant conferring powers, rights and privileges, either from a king or other sovereign power, or from a private person, as a charter of exemption, that no person shall be empanelled on a jury, a charter of pardon, &c.

The charters under which most of the colonies in America were settled, were given by the king of England and incorporated certain persons, with powers to hold the lands granted, to establish a government, and make laws for their own regulation. These were called charter- governments. By agreeing to the Magna Carta, King John had broken the agreement terms of his fealty with Rome and the Pope. What that means is that he lost all rights to the kingdom, and the royal English Crown was turned over by default to the Pope and the Roman Church.

The Pope and his Roman Church control the Crown Temple because his Knights established it under his Orders. So also the Temple Banks , the Templar Attorneys, the corporate United States , the corporate British Commonwealth, the chartered Federal Reserve Bank and Bank of England; the list is nearly endless. He who controls the gold controls the world.

The Crown Temple Today

The workings of the Crown Temple in this day and age is more so obvious, yet somewhat hidden. The Crown Templars have many names and many symbols to signify their private and unholy Temple.

Take a close look at the (alleged) one dollar \$1 private Federal Reserve System (a Crown banking franchise) Debt Note. Notice in the base of the pyramid the Roman date MDCCLXXVI which is written in Roman numerals for the year 1776. The words ANNUIT COEPTIS NOVUS ORDO SECLORUM are Roman Latin for ANNOUNCING THE BIRTH OF THE NEW ORDER OF THE WORLD. Go back to the definitions above and pay particular attention to the words CAPITOL, CROWN and TEMPLE. 1776 signifies the birth of the New World Order under the Crown Temple. That's when their American Crown Colonies became the chartered government called the United States , thanks to the Declaration of Independence.

Since that date, the United Nations (another legal Crown Temple by charter) rose up and refers to every nation as a State member. Note also that there are 13 layers for the pyramid denoting the 13 chartered Colony-States and that the eye of Osirus, one of many Templar signs used the Temple Illuminati or their Order of the Rose and Order of the Cross.

The Wizard of Oz = the Crown Temple This is not a mere child's story written by L. Frank Baum. What symbol does "Oz" stand for? Ounces. What is measured in ounces? Gold. What is the yellow brick road? Bricks or ingot bars of gold. The character known as the Straw Man represents that fictitious ALL CAPS legal fiction – a PERSON – the Federal U.S. Government created with the same spelling as your Christian birth name.

Remember what the Straw Man wanted from the Wizard of Oz? A brain! No legal fiction has a brain because they have no breath of life! What did he get in place of a brain? A Certificate. A Birth Certificate for a new legal creation. He was proud of his new legal status, plus all the other legalisms he was granted. Now he becomes the true epitome of the brainless sack of straw who was given a Certificate in place of a brain of common sense.

What about the Tin Man? Does Taxpayer Identification Number (TIN) mean anything to you? The poor TIN Man just stood there mindlessly doing his work until his body literally froze up and stopped functioning. He worked himself to death because he had neither heart nor soul. He's the heartless and emotionless creature robotically carrying out his daily task as if he was already dead. He's the ox pulling the plow and the mule toiling under the yoke. These days, his task masters just oil him nightly with beer and place him in front of a hypnotic television until his very existence no longer has any meaning

or value. His masters keep him cold on the outside and heartless on the inside in order to control any emotions or heart he may get a hold of.

The pitiful Cowardly Lion was always too frightened to stand up for himself. Of course, he was a bully and a big mouth when it came to picking on those smaller than he was. Did you ever notice how bullies are really the biggest cowards? They act as if they have great courage, but they really have none at all. All roar with no teeth of authority to back them up. When push came to shove, the Cowardly Lion always buckled under and whimpered when anyone of any size or stature challenged him. He wanted courage from the Grand Wizard, so he was awarded a medal of “official” recognition. Now, regardless of how much of a coward he still was, his official status made him a bully with officially recognized authority. He’s just like the Attorneys who hide behind the Middle Courts of the Temple Bar.

What about the trip through the field of poppies? Notice how it never affected the Straw Man (no brain) or the TIN Man (no heart or soul)? They weren’t real people, so drugs had no effect on them. The Wizard of Oz was written at the turn of the century, so how could the author have known America was going to be drugged?

The Crown has been playing the drug cartel game for centuries. Just look up the history of Hong Kong and the Opium Wars. The Crown already had valuable experience conquering all of China with drugs, so why not the rest of the world? Who finally exposed the Wizard for what he really was?

Toto, the ugly (or cute, depending on your perspective) and somewhat annoying little dog. Toto means “in total, all together; Latin in toto.” Notice how Toto was not scared of the Great Wizard’s theatrics, yet he was so small in size compared to the Wizard, no-one seemed to notice him. The smoke, flames and hologram images were designed to frighten people into doing as the Great Wizard of Oz commanded. Toto simply went over, looked behind the curtain - the court – (see the definition for curtain above), saw it was a scam, and started barking until others paid attention to him and came to see what all the barking was about. Who was behind the curtain?

Just an ordinary person controlling the levers that created the illusions of the Great Wizard’s power and authority. When Toto pulled back the curtain to completely expose him, the charade was over. The veil hiding the corporate legal fiction and its false courts was removed. The Wizard’s game was up. It’s too bad that people don’t realize how loud a bark from a little dog is.

How about your bark? Do you just remain silent and wait to be given whatever food and recognition, if any, your legal master gives you? Let's not forget those pesky flying monkeys. What a perfect mythical creature to symbolize the Bar Association Attorneys who attack and control all the little people for the Great Crown Wizard, the powerful and grand Bankers of Oz – Gold.

What is it going to take to expose the Wizard and tear down the court veil for what they really are? Each of us needs only a brain, a heart and soul, and courage. Then, and most importantly, we all need to learn how to work together. Only "in toto," working together as one Body of the King of Kings, can we ever be free or have the freedom given under God's Law. Mystery Babylon Revealed.

There is no mystery behind the current abomination of Babylon for those who discern His Truth: AND UPON HER FOREHEAD WAS A NAME WRITTEN, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. - Revelation 17:5 God has reserved His judgment for the great idolatress, Rome, the chief seat of all idolatry, that rules over many nations with whom the kings have committed to the worship of her idols (see Revelation 17:1-4).

The Pope and His purported Church; sitting on the Temple throne at the Vatican; ruling the nations of the earth through the Crown Temple of ungodly deities are the Rule and Order of Babylon; the Crown of godlessness and the Code of commerce. One may call the Rule of the world today by many names: The New World Order (a Bush family favourite), the Third Way (spoken by Tony Blair and Bill Clinton), the Illuminati, Triad, Triangle, Trinity, Masonry, the United Nations, the EU, the US, or many dozens of other names. However, they all point to one origin and one beginning.

We have traced this in history to the Crown Temple, the Temple Church circa 1200. All world banking, judiciary, and rule of "law" has been under the Rule and Order of the Crown Temple since that time. Because the Pope created the Order of the Temple Knights (the Grand Wizards of deception) and established their mighty Temple Church in the sovereign City of London, it is the Pope and his Roman Capitols who control the world.

"And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication" -Revelation 17:4 This verse appears to be an accurate description of the Pope and His Bishops for the past 1,700 years. The idolatries of commerce in the world: all the gold and silver; the iron and soft metals; the money and coins and riches of the world: All of these are under the control of the Crown Temple ;

the Roman King and his false Church; the throne of Babylon; attended to by his Templar Knights, the Wizards of abomination and idolatry. “The seven heads are seven mountains, on which the woman [mother of harlots] sitteth” – Revelation 17:9

The only mention of “seven mountains” within our present-day Bible is at Revelation 17:9, so it’s no wonder this has been a mystery to the current Body of Christ. The 1611 King James (who was a Crown Templar) Bible is not the entire canon of the early church (“church” in Latin ecclesia; in Greek ekklesia). There were other gospels and books that have been forbidden by the Papal Throne at Rome since the third century.

Greek and Aramaic copies of the “unapproved writings” were sought after and destroyed by Rome. This in itself is no mystery as history records the existence and destruction of these early church writings; just as history has now proven their genuine authenticity with the appearance of the Dead Sea Scrolls and the coptic library at Nag Hagnadi in Egypt, among many other recent Greek language discoveries within the past 100 years.

The current Holy Bible quotes the Book of Enoch numerous times: By faith Enoch was taken away so that he did not see death, “and was not found, because God had taken him”; for before he was taken he had this testimony, that he pleased God. – Hebrews 11:5 Now Enoch, the seventh from Adam, prophesied about these men also, saying, “Behold, the Lord comes with ten thousands of His saints, to execute judgment on all, to convict all who are ungodly among them of all their ungodly deeds which they have committed in an ungodly way, and of all the harsh things which ungodly sinners have spoken against Him.” – Jude 1:14-15.

The Book of Enoch was considered scripture by most early Christians. The earliest literature of the so-called “Church Fathers” is filled with references to this mysterious book. The second century Epistle of Barnabas makes much use of the Book of Enoch. Second and Third Century “Church Fathers,” such as Justin Martyr, Irenaeus, Origen and Clement of Alexandria, all make use of the Book of Enoch. Tertullian (160-230C.E) even called the Book of Enoch “Holy Scripture”. The Ethiopic Church included the Book of Enoch to its official canon. It was widely known and read the first three centuries after Christ. However, this and many other books became discredited after the Roman Council of Laodicea. Being under ban of the Roman Papal authorities, afterwards they gradually passed out of circulation.

At about the time of the Protestant Reformation, there was a renewed interest in the Book of Enoch, which had long since been lost to the modern world. By the late 1400’s, rumors began to spread that a copy of the long lost Book of Enoch might still exist.

During this time, many books arose claiming to be the lost book but were later found to be forgeries. The return of the Book of Enoch to the modern western world is credited to the famous explorer James Bruce, who in 1773 returned from six years in Abyssinia with three Ethiopic copies of the lost book.

In 1821, Richard Laurence published the first English translation. The now famous R.H. Charles edition was first published by Oxford Press in 1912. In the following years, several portions of the Greek text also surfaced. Then, with the discovery of cave number four of the Dead Sea Scrolls, seven fragmentary copies of the Aramaic text were discovered.

Within the Book of Enoch is revealed one of the mysteries of Babylon concerning the seven mountains she sits upon (underlining has been added): [CHAPTER 52] 2 There mine eyes saw all the secret things of heaven that shall be; a mountain of iron, a mountain of copper, a mountain of silver, a mountain of gold, a mountain of soft metal, and a mountain of lead.

6 These [6] mountains which thine eyes have seen: The mountain of iron, the mountain of copper, the mountain of silver, the mountain of gold, the mountain of soft metal, and the mountain of lead. All these shall be in the presence of the Elect One as wax: Before the fire, like the water which streams down from above upon those mountains, and they shall become powerless before his feet. 7 It shall come to pass in those days that none shall be saved, either by gold or by silver, and none be able to escape. 8 There shall be no iron for war, nor shall one clothe oneself with a breastplate. Bronze shall be of no service, tin shall all be of no service and shall not be esteemed, and lead shall not be desired. 9 All these things shall be denied and destroyed from the surface of the earth when the Elect One shall appear before the face of the Lord of Spirits.'

[CHAPTER 24] 3 The seventh mountain was in the midst of these, and it excelled them in height, resembling the seat of a throne; and fragrant trees encircled the throne.

[CHAPTER 25] 3 And he answered saying: 'This high mountain which thou hast seen, whose summit is like the throne of God, is His throne, where the Holy Great One, the Lord of Glory, the Eternal King, will sit, when He shall come down to visit the earth with goodness. 4 As for this fragrant tree, no mortal is permitted to touch it until the great judgment when He shall take vengeance on all and bring (everything) to its consummation for ever. 5 It shall then be given to the righteous and Holy. Its fruit shall be for food to the elect: It shall be transplanted to the Holy place, to the temple of the Lord, the Eternal King. 6 Then shall they rejoice with joy and be glad, and into the Holy place shall they enter; its fragrance shall be in their bones and they shall live a long life

on earth, such as thy fathers lived: In their days shall no sorrow, or plague, or torment, or calamity touch them.'

The present wealth and power of all the world's gold, silver, tin, bronze, pearls, diamonds, gemstones, iron, and copper belonging the Babylon whore, and held in the treasuries of her Crown Templar banks and deep stony vaults, will not be able to save them at the time of the Lord's judgment.

But woe unto you, scribes and Pharisees, hypocrites! for ye shut up the kingdom of heaven against men: for ye neither go in[yourselves], neither suffer ye them that are entering to go in. - Matthew 23:13

Where do we go from here? Now that their false Temple has been exposed, how does this apply to the Kingdom of Heaven? To reach the end, you must know the beginning. For everything ordained of God, there is an imitation ordained of evil that looks like the genuine thing. There is the knowledge of good and the knowledge of evil.

The problem is, most believe they have the knowledge of God when what they really have is knowledge of world deceptions operating as gods. Where there is the true Tabernacle or Temple of God, there are also the false Temples of unholy gods. The only way to discern and begin to understand the Kingdom of Heaven is to seek the Knowledge that comes only from God, not the knowledge of men who take their legal claim as earthly rulers and gods.

The false Crown Temple and its Grand Wizard Knights have led the world to believe that they are of the Lord God and hold the knowledge and keys to His Kingdom. What they hold within their Temples are the opposite. They claim to be the "Holy Church," but which holy church? The real one or the false one?

Are the Pope and his Roman Church the Temple of God, or is this the unholy Temple of Babylon sitting upon the seven mountains? They use the same words, but alter them to show the true meaning they have applied: The State is not a state; a Certificate is not a certification. The Roman Church is not the church (ekklesia). There is the Crown of the Lord; and a Crown of that which is not of the Lord.

There is the mark and seal of the Lord God; and there are the Marks and Seals of the false gods. All imitations appear to be the genuine article, but they are fakes. Those who are truly seeking the genuine Kingdom of God must allow the Lord to show them the discernment between the genuine and the imitation. Without this discernment by the Holy Spirit, all will remain fooled by the illusions of false deity emanating from the unholy

spirits of the Wizards. Neither shall they say, Lo here! Or, lo there! For behold, the kingdom of God is within you. – Luke 17:21

Jesus said, “If your leaders say to you, ‘Look, the (Father’s) kingdom is in the sky,’ then the birds of the sky will precede you. If they say to you, ‘It is in the sea,’ then the fish will precede you. Rather, the FATHER’S kingdom is within you and it is outside you. Gospel of Thomas 3 Don’t you know that you are the temple of God, and that the Spirit of God lives in you? - 1 Corinthians 3:16 Jesus said, “Know what is in front of your face, and what is hidden from you will be disclosed to you. For there is nothing hidden that will not be revealed. [And there is nothing buried that will not be raised.”] - Gospel of Thomas 5
